Dear Superintendent Manuel,

Warm Environmental Greetings!!!

This pertains to the scheduled training on **Project NVi-CONSERVE** "Nueva Vizcaya Teachers-**CON**verge in **Strengthening Environmental Education Roles as VENue** on Sustainable Development in partnership with World Wide Fund for Nature - Philippines (WWF-Philippines)" on September 20-22, 2023.

As an agreement, the Provincial Government will shoulder the Financial Assistance for the transportation and allowance to attending participants. As of yesterday (September 14, 2023), the cheques were ready for the signature of the Local Chief Executive. However, just for now (September 15, 2023 at 10:00 AM) the Governor's Office informed us that the said cheques were cancelled due to the start of Election ban which prohibits the granting and disbursing of Financial Assistance.

With this, may we request for the possibility that the transportation and allowances for participants (teachers) be charged to the DepEd. The meals, snack and venue of the training will still be charge to the Provincial Government. In the event that this will not be possible, may we request an immediate feedback from your office not later than September 18, 2023 (Monday) if the said event will still pursue as scheduled. Please be infomed further that the resource persons from the WWF-Philippines are also waiting whether or not we will proceed with the event.

Hoping for your consideration, understanding and immediate action. Thank you very much.

Respectfully yours,

TITO A. TANGUILIG, RPF
Environment and Natural Resources Officer
