DR. RACHEL R. LLANA, CESO VI
 Schools Division Superintendent
 Department of Education
 Division of Nueva Vizcaya

Dear Madam,

Peace and All Good!

Saint Mary's University has been the constant partner of your division in improving the quality of education in our province. This is evident with the achievements and contributions of Marian educators in different elementary and secondary schools in public and private schools, in leadership, research, instruction and extension activities. With this, it has always been the mission of the university with burning passion to produce more Marian educators who will positively influence not only your schools division and the region, but also in national and global settings.

In this connection, we would like to invite selected Grade 12 Teachers and Grade 12 students in your division, most especially the Grade 12 students who are aspiring teachers, to participate in our **Career Campaign Webinar of Teacher Education** with the theme: **"Ensuring Your Future: SMU's Promise of Mission and Excellence for Aspiring Teachers"**, a video conference with Grade 12 students and teachers of public and private high schools in Nueva Vizcaya. This is to be conducted on **May 14, 2021, Friday from 8:30 AM to 10:30 AM**. We will use the Zoom account of our university to accommodate as many participants as we can, and it will be streamed live in the Facebook page of School of Teacher Education and Humanities. Attached to this letter is the approved flow of the program. Participation or attendance is on a voluntary basis and expenses to be incurred (for mobile data connection) shall be on personal basis or sourced from the participants' sponsors or donors.

We are anticipating your most generous and positive response to our invitation. Thank you very much and together, let us continue helping one another for the future of the teaching profession. May God return your office's generosity a thousandfold.

Respectfully yours,

MR. GEROME H. BAUTISTA
 Head, Professional Education Department
