**SUBJECT :** Call for Nominations for the 2021-22 Southeast Asian Educational Innovation Awards

**DATE :** August 5, 2021

The Southeast Asian Ministers of Education Organization- Regional Center for Educational Innovation and Technology (SEAMEO-INNOTECH) announces the call for nominations for the 2021-22 Southeast Asian Educational Innovation Awards (SEA EIA). The theme of the FY 2021-22 Award Cycle is *Educational Innovations in the Time of COVID: Exploring Possibilities and Improving Learning for All.*

The SEA EIA seeks to recognize achievements of teachers, school heads, community education workers and other development workers that made a difference in the lives of the learners and communities through the creative application of an idea into practical solution to address an education concern. Specifically, the award aims to:

- honor and give recognition to teachers and school heads in Southeast Asia who made exemplary achievements in introducing and applying innovative practices;
- seek out and document innovative practices and the context in which these innovations led to achievement of learning goals and in overcoming limited resources and constraints;
- highlight examples of effective innovative teaching and learning practices as examples for other education workers; and
- encourage interaction and cooperation among education workers across the region through the dissemination of the award-winning innovations.

Individuals recognized as leaders and proponents of the innovations adopted in the schools, learning centers or communities may be nominated in either of the following categories: (a) Teachers; and (b) School Heads or Education Program Supervisors.
