DATE: 25 October 2021

The health crisis has brought a myriad of challenges to individuals and groups of people from different walks of life. Institutions have been paralyzed for a time and the education sector is not spared from the crippling effects of the pandemic. Although initially sidetracked, educators broke its way to cushion the negative impact of the pandemic.

Hence, the Department spearheaded by the Bureau of Curriculum Development, will hold a virtual panel discussion with the theme: *Issues, Insights, and Innovations in Education Beyond the New Normal*, on 04 November 2021, 9:00 am to 12:00 nn via MS TEAMS. Relative to this, all CLMD and CID Chiefs, Regional and Division Education Program Supervisors, School Heads, Head and Master Teachers are enjoined to participate in the said activity.

The discussion will be a useful channel as it aims to:

- learn from other office's specific challenges and their response to managing the impact of the health crisis;
- discuss the effectiveness of each office's response to the crisis and suggest an alternative for those that were not successfully implemented; and
- determine the innovations that can be applied for the smooth transition from the current situation to the post pandemic in the context of the Philippine Basic Education.
