DR. BENJAMIN D. PARAGAS, CESO V
REGIONAL DIRECTOR
DEPARTMENT OF EDUCATION REGION 02

Dear Sir Benjamin,

Greetings of peace!

We are pleased to inform you that The Asia Pacific Network for International and Values Education (APNIEVE-Philippines) will be holding its 20th APNIEVE National Convention to be held on November 22, 23, 24, 25 and 26 this year 2021. This year's theme is *"Developing Digital Citizenship and "Leadershift" towards Education 5.0"*. Conference strands will revolve around pedagogies in the new normal (cybergogy, heutagogy, paragogy, hyflex), digital citizenship education, "Leadershift" in the VUCA world and on revisiting shared Filipino values in the context of values education in the Philippines.

In this connection, may we request that your office issue an advisory encouraging school officials, teachers, and counselors to attend this in-service training on official time? This continuing professional education program is our modest contribution to values education for peace, human rights, democracy, and sustainable development especially in this challenging time.

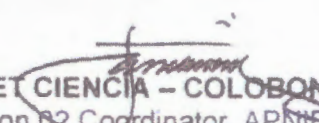

The Php500 registration fee covers the individual membership for one year and the convention fee (e-certificate, e-membership ID, Newsletter, copies of presentations).

For inquiries, kindly contact the undersigned, **Janet Colobong Region 02 APNIEVE Coordinator at Infant Jesus de Providencia Learning and Development Center, Inc, Jones, Isabela – CP Number, 09569943232 or the APNIEVE office, apnieve.ph@gmail.com .**

Your prompt and favorable action on this request is highly appreciated.

Sincerely yours,

Maria Lourdes Quisumbing-Baybay, Ph.D.

Background

APNIEVE is a non-profit organization of individuals and institutions from the private and public sectors and is affiliated with the United Nations Educational, Social, and Cultural Organization (UNESCO). The network was founded by a group of eight experts from Australia, Indonesia, Japan, Korea, Malaysia, Philippines, Russian Federation, and Thailand in March 1995 in Seoul.

Inspired by UNESCO's vision-mission of "Peace for Development and Development for Peace," APNIEVE was created "to promote and develop international education and values education for peace, human rights, democracy, and sustainable development through networking and cooperation among individuals, groups and institutions working on these fields in the Asia Pacific and the rest of the world." It was founded by the late Dr. Lourdes R. Quisumbing, former Secretary of Education and UNESCO-National Commission of the Philippines Secretary-General.

APNIEVE achieves this through the "preparation of teaching-learning materials and the training of administrators and teachers from all levels in the use of a holistic approach to education and the integration of values across the curriculum."

APNIEVE has a shared vision for the collaborative promotion of peace, harmony, intercultural understanding, human rights, democracy, and sustainable development. Through ranges of educational activities, personal and collective research, exploration of values and profound social issues of local and global importance, APNIEVE achieves its goal of enhancing personal, humanistic and universal values.
